Extract from the Proceedings of the Government of India, in the Home, Revenue and Agricultural Department (Public),—under date Simla, the 26th September 1879.

READ—

Home Department Resolution No. 33-1649, dated the 19th October 1876, prescribing rules in regard to the presentation of memorials by officers in the Civil employ of Government.

Despatch from the Secretary of State No. 75 (Public), dated the 31st July 1879, on the subject of the orders in the above quoted resolution, prohibiting the submission of joint memorials.

RESOLUTION.

Rules I and II of the rules promulgated with the resolution of the 19th October 1876, are as follows :—

I. Every officer wishing to address a memorial to Government shall do so separately and not in concert with others.

II. No officer in the employment of Government may submit any memorial in respect to any matter connected with the official position which he occupies in which he is not personally interested, except as the agent of some person or persons unable to act in their own behalf.

2. Her Majesty's Secretary of State for India having suggested that these two rules might be made more clear by the addition of words explaining that Rule I is not meant to prohibit the private interchange of individual opinions, and that the personal interest referred to in Rule II may be indirect, the Governor General in Council is pleased to direct the substitution of the following rules :—

Rule I.—Every officer wishing to address a memorial to Government shall do so separately and not in concert with others, but this prohibition against the submission of joint memorials is not intended to apply to or affect the private interchange of individual opinions.

Rule II.—No officer in the employment of Government may submit any memorial in respect to any matter connected with the official position which he occupies in which he is not personally interested, except as the agent of some person or persons unable to act in their own behalf. The personal interest referred to in this rule may be indirect.

3. His Excellency in Council desires further to explain that the general prohibition against the submission of joint memorials does not affect the case of any correspondence which the Managers of Service Funds as such may have to conduct with Government.

ORDER.—Ordered, that this Resolution be circulated for information and guidance to all Local Governments and Administrations, to the several departments of the Government of India, and to the High Court, the Superintendent of Port Blair and the Nicobars, and to the following officers :—
